do hesitate

- a: Choose a museum nearby which you would like to visit again but something holds you back.
- b: Put into words what it is that deters you. Lack of money for the entrance fee and other costly parts of the museum visit? Disagreement with the museum's cultural concept? Disagreement with the museum's political, social and economic alliances? Disagreement with the museum's decision-makers?

 Others?
- c: Tell a person who is close to you about these reasons.
